Dear Sir:

1. I, Torsten Hoffmann, declare and say I am a co-inventor of the claims of the above-identified patent application. I directed others and/or personally performed the research leading to the invention disclosed and claimed therein.

2. I am also a co-inventor of the subject matter described and claimed in published patent application GB 2347422 published on September 06, 2000. The GB 2347422 publication describes my own work. I was properly named as an inventor for patent application GB 2347422 at the time the GB 2347422 patent application was filed, but my name was omitted from the published patent application by error.

No-person
is not named
as inventor

No factual evidence in declaration

3. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title XVIII of the United States Code, and that such will false statements may jeopardize the validity of the application or any patent issuing thereon.

August 2, 2004
Dkt.

Torsten Hoffmann
